CABARRUS MEMORIAL HOSPITAL
SCHOOL OF NURSING EDUCATION
1962

Dedication

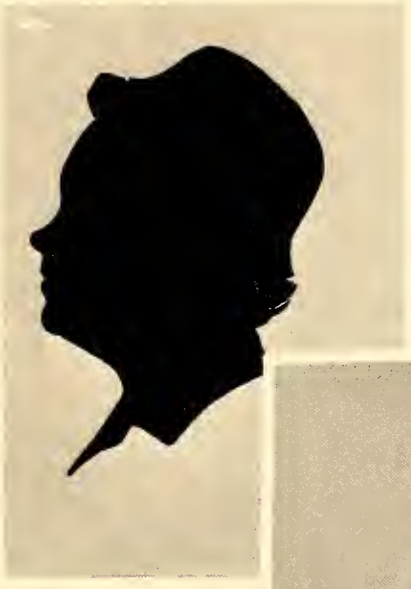

"She lives in deeds, not years; in thoughts, not breaths; in feelings, not in figures on a dial. She counts time by heart-throbs. She most lives who thinks most, feels the noblest, acts the best."

To one who has helped us with patience and understanding through our three years at Cabarrus Memorial Hospital School of Nursing, giving us instruction with intelligence, criticism with comfort, and encouragement with enlightenment, we, the Class of 1962, dedicate this yearbook. As the central figure in our Hall of Fame for 1962, we present

Mrs. Louise Clontz

Appreciation

Special gratitude and appreciation is well deserved by the one who has contributed her time and talents as our class sponsor during the past three years. Her unsurpassed devotion has resulted in our class' determination and accomplishment. We, the Class of 1962, offer our tribute to another figure in our Hall of Fame,

Miss Carrie Young

"When love and skill work together, expect a masterpiece."

E. M. Tomlin, M. D.
Chief of Staff

"One of the Godlike things in this world is the veneration done to human worth by the hearts of men."

Mr. Charles Cannon

Our Hall of Fame would be incomplete without a tribute to this man whose interest in his community made possible the hospital of which our school is a part. He encouraged the passing of legislation in 1935 which provided for a bond election in Cabarrus County to finance a fifty-bed hospital. The charter of the hospital gave the governing board the right to establish a school of nursing, and on February 2, 1942, the Cabarrus County Hospital School of Nursing opened its doors to its first students. This was a direct result of Mr. Cannon's unceasing service to his fellow men.

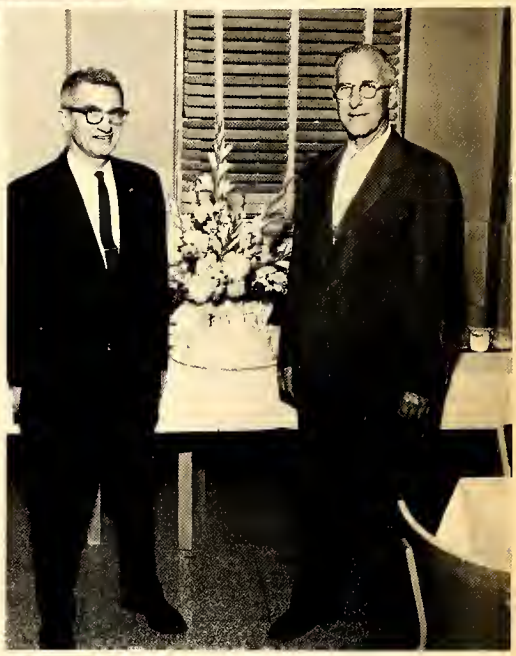

Under the direction of the Board of Trustees, of which Mr. Cannon has been chairman since the hospital came into existence, a separate building was erected in 1947 to house the school of nursing. In 1952, to correspond with the governing institution, the name of the school became officially "Cabarrus Memorial Hospital School of Nursing." Led by Mr. Cannon's inspiration, the Board authorized the construction of a new wing and third floor addition in 1954. Equipment, facilities, and opportunities for faculty members to improve their abilities have been provided through the years to allow the school to keep abreast of current trends in nursing education. That the entire Board has a keen interest in the school is evident in these acts and in the support which the faculty and students have received in their efforts to upgrade the school in all respects. Since the first efforts toward accreditation began, Mr. Cannon has made evident his desire to have the School of Nursing, and the other hospital schools, be "second to none."

During the past school year, Mr. Cannon has been praised by many. . .as the North Carolina Man of the Year, in newspaper editorials, as the retiring president of Cannon Mills, and by the Cabarrus Memorial Hospital Alumnae Association. The students of the hospital schools add to these praises their gratitude to one whose foresight has led them to today and whose deeds have benefitted so many.

HISTORY

THE 1962 CLASS HISTORY

Many times when a child receives her first nursing kit, she is compelled to say, "I want to be a nurse when I grow up." How many of these girls really become nurses? As they grow older, other things occupy their minds, such as dancing school, Girl Scouts, high school experiences, trips, and dances.

In September of 1959, twenty-nine eager girls entered Cabarrus Memorial Hospital School of Nursing. We were ready for the glamor of student nurse life, and our dreams were becoming a reality. Our first weeks were spent in an introduction to our new way of life. Many parties were held for us during this time, including a watermelon feast given by the Concord Business and Professional Women's Club, the Christian Student Union hamburger supper at Cook's Buffalo Ranch, and a swimming party at the Cabarrus Country Club.

We chose our leaders for the year: president, Sally Caudill; vice-president, Brenda Mickey; secretary, Gail Johnson; treasurer, Jane Carriker; and chaplain, Lyn Somers. Later, Brenda Mickey became our president, guiding us through a spaghetti supper and a tea for our parents in the Spring.

We were thrilled over prospects of doing real nursing, and in October, we finally took our first step. We each gave a bath! Soon, however, we began doing other things for patients. . . making beds, giving medicines, and talking with them to understand more about our patients.

After our Christmas Dance, we welcomed two weeks' vacation, but found ourselves eagerly waiting for the New Year and a return to our classmates. Due to our varied talents, our Glee Club found numerous opportunities to entertain in this community, especially during the pre-Christmas season.

Brenda Mickey and Gail Johnson represented us at the S.N.A.N.C. convention. Linda Boyd represented us at the N.S.N.A. convention in Florida. Wanda Saunders entered the "Miss Kannapolis" Beauty Pageant and Cornelia Beck was first runner-up in the "Miss Concord" Beauty Pageant.

During June and July, we left for two weeks' vacation. Upon returning, we began specialized nursing experiences. Twenty strong, wearing blue bands on our caps, we entered our second year. We welcomed our "Little Sisters" with a party and helped them become acquainted with our school.

Lyn Somers and Joyce Frick represented us at the S.N.A.N.C. convention in 1960. Our class officers for our Junior year were chosen: president, Joyce Frick; vice-president, Lyn Somers; secretary, Brenda Mickey; treasurer, Gail Johnson; chaplain, Judy Smith. We worked hard on our Halloween Carnival and Dance and our efforts were well rewarded.

Some of our classmates held other positions in student activities. Serving in various capacities were Jane Carriker, president of C.S.U.; Linda Boyd, first vice-president of the Student Government Association; Gail Johnson, treasurer of the S.G.A.; and Lyn Somers, member of the S.G.A. nominating committee.

Late in the Fall, our class was increased by a transfer from Charlotte Memorial Hospital. . .Beth Romary. . . and one from the University of North Carolina School of Nursing. . .Bonnie Howell. With the Christmas Spirit in the air, we turned from crisp uniforms to floating dresses to enjoy our annual dinner and dance. Lyn Somers led our class as president, Beth Romary was elected vice-president, and Bonnie Howell was elected treasurer.

We will always remember our pinto bean suppers, especially our "midway" supper. We were half finished, literally! We entered into activities such as Y.M.C.A. trips, participating on the basketball team, C.S.U. retreats, and group entertainment. During part of this year, Betty Furr was our president of the Student Government Association, Bonnie Howell was secretary, Beth Romary was chairman of the nominating committee, and Shirley Diffee was second vice-president. Betty and Shirley represented us at the N.S.N.A. convention in Cleveland, Ohio. The highlight of our year was our Junior-Senior banquet and dance, which served to instill memories never-to-be forgotten. This was our diversion from long months of study and hard work!

Upon returning from summer vacation, we met our new classmate, Carolyn Reid, who transferred from Vanderbilt University. In September 1961, fourteen worn-out juniors became bright-eyed seniors. In the Fall, Sue Herrin returned to our class. Immediately following this, the first of three groups left for Eastern State Hospital in Lexington, Kentucky, to be the first of Cabarrus students to have psychiatric experience under the new affiliation arrangement. Our senior year has been a busy one, but our officers have led us with confidence and know-how. The president was Bonnie Howell; vice-president, Linda Stiller; secretary-treasurer, Jane Carriker; and chaplain, Carolyn Reid. Brenda Mickey and Linda Stiller were our representatives to the S.N.A.N.C.

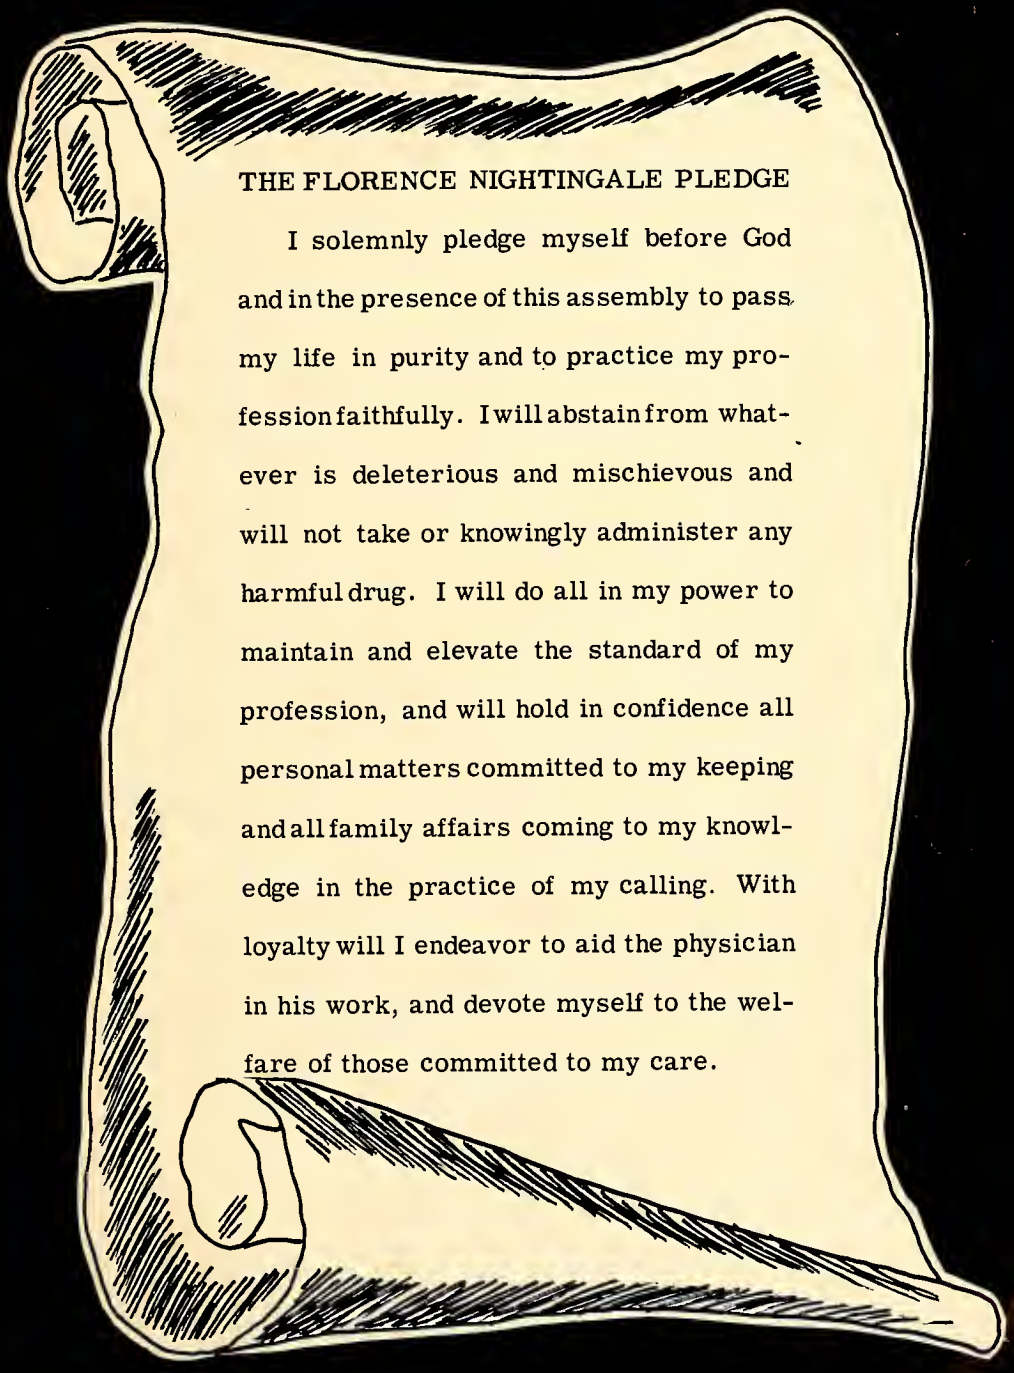

With other groups going to Kentucky, memories were tied together and we find that mere words cannot express our feeling for these experiences. We each returned ready to serve mankind and found ourselves helping with the Halloween Carnival and Dance, enjoying the Christmas Dance, and serving at the spaghetti supper. In the Spring, Shirley Diffee received the Project Achievement Award at the annual district meeting of the S.N.A.N.C. We are now looking forward to the Junior-Senior Prom which will be given in our honor this summer.

Graduation takes but a few short minutes, but we shall not think of curfews, study hall, cramming for exams, and writing term papers. Instead, we will look to the future. We have been prepared for our profession by our fine faculty. Many have helped us turn the title "student nurse" into "graduate nurse." It is their trust and belief in us that makes this commencement a true beginning.

We have had a BALL.....

SENIORS

THE FLORENCE NIGHTINGALE PLEDGE

I solemnly pledge myself before God and in the presence of this assembly to pass my life in purity and to practice my profession faithfully. I will abstain from whatever is deleterious and mischievous and will not take or knowingly administer any harmful drug. I will do all in my power to maintain and elevate the standard of my profession, and will hold in confidence all personal matters committed to my keeping and all family affairs coming to my knowledge in the practice of my calling. With loyalty will I endeavor to aid the physician in his work, and devote myself to the welfare of those committed to my care.

JUNIORS

THE NURSE

The world grows better, year by year,
Because some nurse in her little sphere
Puts on her apron and grins and sings,
And keeps on doing the same old things
Taking the temperature, giving the pills
To remedy mankind's numberless ills,
Feeding the baby, answering the bells,
Being polite with a heart that rebels.
Longing for home, and all the while
Blessing the newborn babies' first breath,
Closing the eyes that are still in death.

Taking the blame for so many mistakes,
Oh dear! what a lot of patience it takes:
Going off duty at seven o'clock,
Tired, discouraged, and ready to drop,
But called back on duty at seven-fifteen
With woe in her heart, but it must not be seen,
Morning and evening, noon and night,
Just doing it over and hoping its right
When we lay down our caps and cross the bar,
Oh Lord, will you give us just one little star
To wear in our crowns with our uniforms new
In that city above, where the head nurse is You?

WELCOME

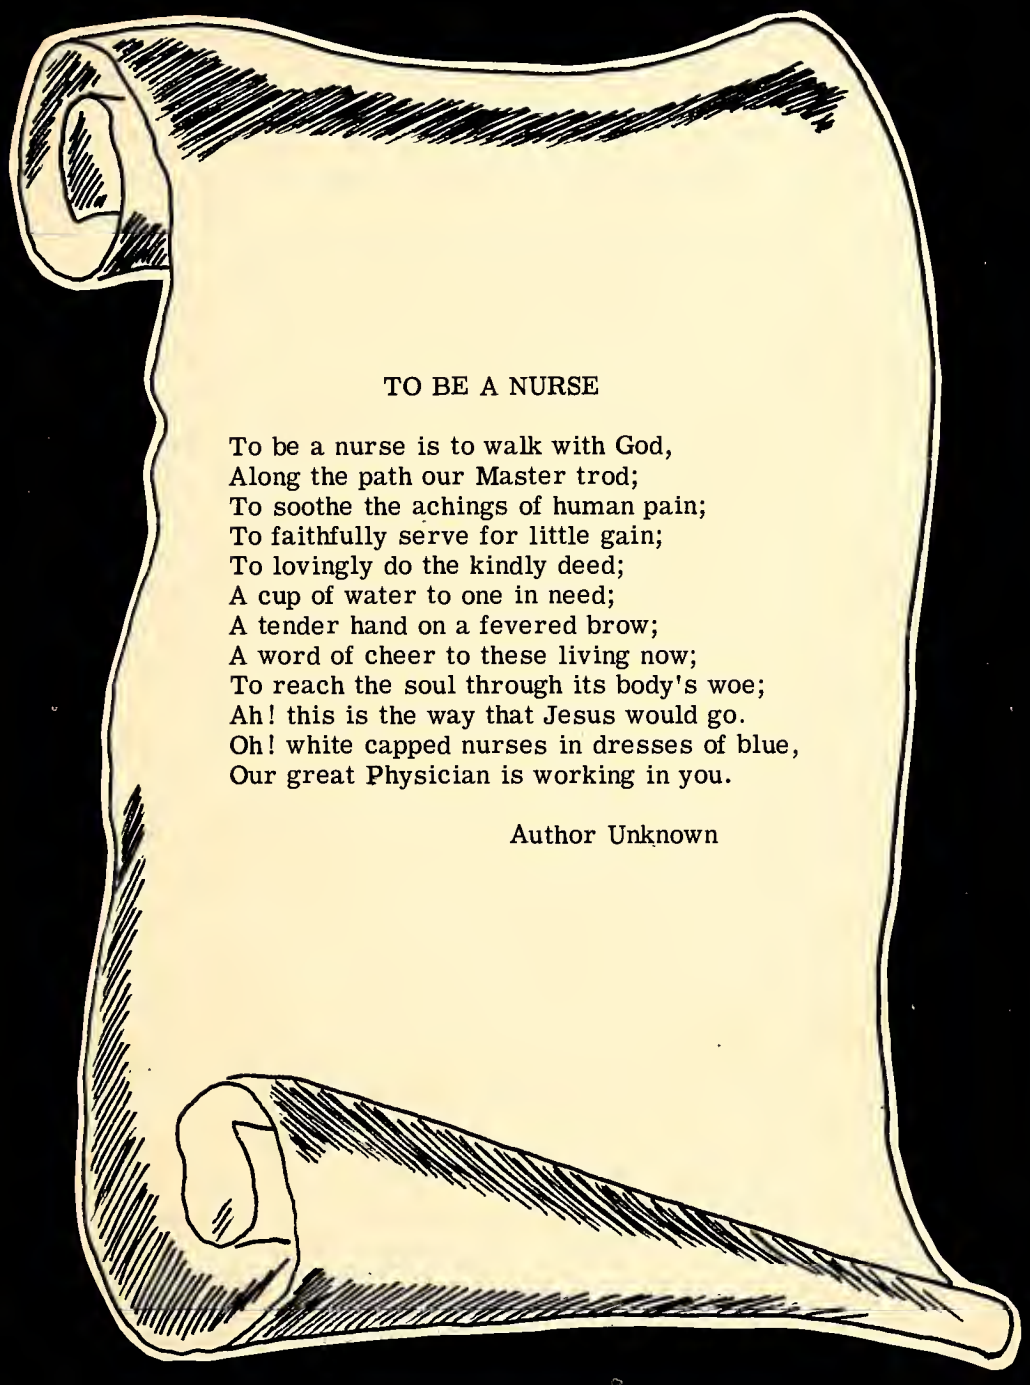

FRESHMEN

TO BE A NURSE

To be a nurse is to walk with God,
Along the path our Master trod;
To soothe the achings of human pain;
To faithfully serve for little gain;
To lovingly do the kindly deed;
A cup of water to one in need;
A tender hand on a fevered brow;
A word of cheer to these living now;
To reach the soul through its body's woe;
Ah! this is the way that Jesus would go.
Oh! white capped nurses in dresses of blue,
Our great Physician is working in you.
